

## Cup brushes, crimped wire, X-Lock

Crimped cup brush, industrial quality, for use on angle grinders and X-Lock angle grinders

- flexible trim material that adapts perfectly to the workpiece contour
- the optimum angle for the brush to operate at is already specified by the trim shape of the brush
- thanks to the Osborn X-Lock adapter, the brush can be used on X-Lock angle grinders as well as on conventional angle grinders

**Applications :** Cleaning, removal of paint, rust, slag, blue discolouration.

Filament	Diameter (mm)	Ø Filament	max. RPM	Order no.	PU	Thread Size	Trim Length
Steel Wire	60	0.3	12500	0004613161	10	X-LOCK + M14x2,0	21
Stainless Steel Wire	60	0.3	12500	0004613361	4	X-LOCK + M14x2,0	21
Steel Wire	75	0.3	12500	0004613162	10	X-LOCK + M14x2,0	25
Stainless Steel Wire	75	0.3	12500	0004613362	4	X-LOCK + M14x2,0	25
